

Certificate Hands-on Training in Programming Basics using C

(Vacation Course for School Students)

Duration: 20Hrs (10 days, 2hrs/ day)

Fees: Rs.1,000/-

Class Timing: 2pm to 4pm

Date of Commencement: 08-04-2019 (classes will not be there on govt. holidays)

Qualification of Students: High School, +1, +2

Course Description:

Research & Enhanced Education Forum of LBSITW is offering a Certified Hands-on Training in Programming Basics using C in 20 Hrs at LBSITW, Poojappura, Trivandrum for High school, +1 and +2 students. In this course the students will get hands-on training in C-programming. The course will not only train them in writing programs, but also train them to think in a logical way to solve problems using many simple examples they have already familiarized with. The course will enhance their logical thinking, analytical and problem solving skills. At the end of the course, the student starts to begin thinking and problem solving like a programmer. Students will also learn to break down large tasks into smaller single lines of code and find the solution.

NB: Registration forms can be collected from the college office and payment can be remitted.

Course Timing:

Monday to Friday (2:00 PM to 4:00 PM)
